The Short Term Care Team support people with a learning disability to live fulfilled lives in their local community. We support people with no experiences, promoting their independence and develop daily living skills, including personal care.

You must have good communication skills and be self-motivated with the ability to motivate others. You will be qualified to Level 2 in a Health and Social Care qualification or be willing to work towards this within defined timescales. Our team will support you to develop through a programme of training and registration with DBS and Social Care Wales.

You will be required to work as a team on a rota basis including evenings and weekends.

The role also can include sleep in shifts which are paid at National Minimum Wage.

Welsh speaking and writing skills are desirable.

As one of the largest employers in Flintshire, we offer a minimum of 34 days' annual leave including bank holidays, increasing up to 41 days • Access to the Local Government Pension Scheme • Generous family friendly and work-life balance schemes • Hybrid working (role specific) • Access to a range of development opportunities • Free employee assistance programme (EAP) • Cycle to Work Scheme • Discounts across UK retailers.

For this role we are open to discussions about part time hours/job share.
