The Integrated Family Support Services provides intense and structured interventions to children and families who are impacted by substance/ alcohol misuse, mental health challenges and the of impact domestic violence.

This post works collaboratively with Wrexham County Borough Council providing a unique way of working to co-produce defined plans for families. Using defined interventions of motivational interview and solution focused therapy, the post provides for a clear and defined programme of change intervention.

Working with a wide variety of agencies and professionals the role requires commitment, flexibility and a thorough understanding of all relevant standards and the Social Services and Well Being Act (2014) Wales. The role demands the ability to build effective relationships with social services teams and forge strong collaborative partnerships with other agencies. In addition, the successful candidate will evidence a passion and determination to meet the demands of this role. The ability to speak Welsh is desirable.

As this post will result in you having substantial contact with children and/or vulnerable adults the successful applicant will be subject to a Disclosure and Barring Services check.
