An opportunity has arisen for a Social Worker to work in one of Flintshire's two Older People's Locality Teams. You will hold a complex and varied caseload, helping people say what matters to them and supporting them to meet the outcomes they want to see.

If you are a qualified social worker and are committed to supporting older people across Flintshire to have their voices heard and to be as independent as possible, we want to hear from you.

Flintshire has a great track record for supporting their employees' well-being and career development, with regular supportive one to one supervision and the opportunity for peer support and training.

Successful candidates must be registered with Social Care Wales and as this post will result in you having contact with vulnerable adults you will be subject to an Enhanced Disclosure and Barring Services check.

Successful candidates will be entitled to generous amounts of holidays, pension, discount's at hundreds of retailers across the UK, family friendly and work-life balance policies, development opportunities and much more.
