Putting Good Governance at the Heart of the Council

We are seeking a highly motivated and forward-thinking Principal Auditor to support and develop the Internal Audit Service. This is an excellent opportunity for an experienced auditor who can think strategically across the whole authority, providing independent assurance, insight and advice that strengthens governance, risk management and internal control.

The successful candidate will bring strong people management, leaderships, analytical, investigative and problem-solving skills, combined with the ability to build effective relationships, influence stakeholders and provide constructive challenge. Experience of risk-based auditing, data analytics, advisory work and the use of digital and AI-enabled tools is essential.

Working closely with senior managers, you will help deliver the Internal Audit Plan, identify opportunities for improvement and contribute to the achievement of the Audit Plan. We are looking for someone who is intellectually curious, commercially aware, innovative and able to see the bigger picture across services and organisational priorities.

Applicants must be a qualified Member of the Chartered Institute of Internal Auditors (CMIIA) or hold a recognised CCAB qualification (CIPFA, ICAEW, ACCA or equivalent). Welsh speaking and writing skills are desirable.

We are particularly keen to hear from candidates who can combine technical audit expertise with excellent interpersonal skills, strategic thinking, innovation and a passion for helping the Council deliver better outcomes for its communities.

As one of the largest employers in Flintshire, we offer a minimum of 34 days' (pro rata) annual leave including bank holidays, increasing up to 41 days (pro rata) • Access to the Local Government Pension Scheme • Generous family friendly and work-life balance schemes • Hybrid working (role specific) • Access to a range of development opportunities • Free employee assistance programme (EAP) • Cycle to Work Scheme • Discounts across UK retailers.
