

## Recycling, Compliance and Data Officer

Salary: £31,099 - £33,820

1 x 22.2 hrs per week

2 x 37 hrs per week

(2023 Pay Award Pending)

**Streetscene & Transportation, play a vital role in protecting our environment, minimising waste, maximise recycling. As a key service our core values of Safety, Teamwork, Accountability and Respect to achieve service excellence for the residents of Flintshire.**

Are you passionate about the Environment? Can you help us promote the Council's waste and recycling services? If so we are seeking Recycling, Compliance and Data Officers to join our Waste Strategy team within Regulatory Services. These exciting roles will be instrumental in delivering initiatives and projects designed to improve the local environment and achieve the long-term strategic plan within the County.

You will be responsible for monitoring the compliance and regulation of the Councils waste and recycling services, data management, development and advising on policy with the aim of achieving statutory recycling targets and delivery on circular economy initiatives, as well as monitoring procurement and contact management of recycling and waste contracts.

Your work will include producing content for our social media platforms and website, responding to customer enquiries and liaising with a range of partners to improve our services. As well as carrying our door-to-door visits, attending roadshows and events, you'll support of our frontline teams with training and campaign materials. There will also a requirement for the role to undertake some out of hours and weekend work as required.

For an informal discussion please contact: Ruth Tulley

Regulatory Services Manager
