<b>Portfolio</b>	Social Services
<b>Reports to</b>	Team Manager
<b>Location</b>	County Offices, Flint
<b>Job Reference/ID Number</b>	80000030692

**Job Purpose**

The Deputy Team Manager provides support to and deputises for the Team Manager in the assessment and delivery of interventions for children, families and vulnerable adults. Their duties include the screening and allocation of cases, authorisation of assessments and care plans, and management of the Duty social work rota, as appropriate. They provide the Team Manager with support in the day to day operational business of the team and will provide supervision for the Senior Social Workers and Social Workers in the team.

**Principal Accountabilities**

1. Provide support in decision making to officers in the team in dealing with complex cases. This can include child protection, management of Section 47 enquiries, complex cases including vulnerable adults. Provide advice/ support/ consultation to other agencies and members of the public. Ensure all practice meets required standards with regard to safeguarding and care planning practice standards and regulations.
2. Act as part of the leadership team and deputise for the Team Manager as required, i.e. attend meetings, ensure appropriate allocation of work, prepare reports, deliver presentations, and provide cover arrangements and operational management support to the team.
3. Maintain professional working relationships with partner agencies/key stakeholders in the development of services. Provide support and advice to multi-agency practitioners in relation to their professional work area, to assist them in reducing barriers and blockages to service support, enabling families to achieve sustainable outcomes. Represent the service at local and national forums.
4. Provide professional casework supervision, mentoring and support to the Senior Social Workers and Social Workers in the team, and identify and manage the training and development needs of the Team as a whole, and the individual Team members.
5. Ensure the timely screening, prioritisation and allocation of referrals in line with departmental policy, and authorise assessments and care and support plans, including the deployment of business resources up to an agreed value without reference to Resource Panel.
6. Deploy staff and manage duty rotas as appropriate.

7. Arrange internal and interagency meetings and organise appropriate attendance to ensure that the Council is represented and meets its statutory obligations. Contribute to and promote external stakeholder relationships.
8. Contribute to the development of local and regional policy and practice through research and evidence based practice, and ensure that changes in legislation are reflected in our local processes.
9. Be responsible for quality assurance at a Team level, conducting case file audits in line with departmental policy, and support the Team Manager in responding to complaints.
10. Attend Paris User Group to ensure that the Team is represented and that changes in recording practice are cascaded down, and ensure that changes in legislation are effectively translated into process and practice.
11. Support the Manager to ensure accurate data is available for statutory returns and for inspections by external regulators. Conduct analysis of data and performance, including relevant information systems, audits, customer feedback, including the outcomes of complaints and report to the Senior Management Team.
