An exciting opportunity to gain valuable experience working in our communities and at the heart of the Council's democratic processes. We are looking for an enthusiastic and motivated individual with excellent communication, marketing and public engagement skills to promote voter registration and participation (particularly amongst young voters and foreign nationals). The role involves working with local, regional and national stakeholders to improve voter awareness and promote the importance and relevance of local democracy specifically amongst under-represented groups.

Previous experience of working for local government is not essential as full support will be provided to train the successful applicant provided they can demonstrate their willingness to learn and be part of a small, dedicated team committed to providing a high quality service.
