

## Technician (LX and Sound) – Theatr Clwyd

### Position Details

**Permanent**

**Hours - 37 per week**

**Grade TC04, SCP from 19 - 22**

**Salary From £18,746 - £20,661 per annum**

**Location: Theatr Clwyd, Mold, Flintshire CH7 1YA**

The Theatre Technician will work with the Senior Technicians and Technical Manager to deliver the technical function of the Production Department, linked to Theatr Clwyd's company ethos and artistic vision. The role demands personal responsibility, judgement and initiative, with specialist knowledge of lighting, sound and stage. Whilst working primarily in the technical department, the Theatre Technician will demonstrate an ability and willingness to work, on occasion, alongside colleagues in other areas.

With the recent arrival of new Executive Team, Artistic Director Tamara Harvey and Executive Director Liam Evans-Ford, Theatr Clwyd is going through an exciting period of change, building on the excellence and pride of the past to generate a dynamic, creative hub for the future.

The successful candidate will be a skilled and experienced technician with a thorough knowledge of safe working practice and good interpersonal skills.

Application Closing Date: 15<sup>th</sup> April 2018

Interview Date(s): w/c Monday 30<sup>th</sup> April 2018

Please email or call Hannah Lobb (Production Manager) or Geoff Farmer (Technical Manager) for an informal chat.
